Principal/Activities Director report:

Mr. Hazlett would like to thank the Booster club for everything they do for the students at Roosevelt. The administration is more than willing to support the Booster club with any new ideas. The end of the school year is a very busy time. Ms. Forseth echoed that this spring is a very busy time, especially in the Fine Arts department. The Winter sports season has just wrapped up and the Spring activities have all been enjoying the nice weather. The School District has changed the Physical policy and more information will be sent to parents regarding the changes. It was noted that the change will have some affect on the Booster club financially with there no longer being a night set apart for students to get their physicals.
