### Principal/Activities Director report:

Keeping busy getting ready for Rider Charge day Tuesday, August 6, 2013. Slade will be the spokesperson about the Booster club and all the activities at Roosevelt during Fall Sport Night on August 6, 2013 from 7:00 - 8:30 pm. Explained how all our activity schedules are on the new website: [metroconferencesd.org](http://metroconferencesd.org). Due to the restructuring of the conferences the Metro Conference website consists of all three public schools, O'Gorman and Brandon Valley. Coming soon will be an app for your phone or to download onto your computer all the activity calendar events. Only sanctioned sports are on this website at this time, but all sports both sanctioned and unsanctioned are in our monthly newsletter that goes out to all parents.

Great to see many of the coaches and activity directors were able to make it to our meeting.

### Treasurer's report and July minutes were reviewed no updates or changes noted.

### Treasurer Report

The Booster Club has purchased a new popcorn machine which should last us around 6 years. The Booster club will maintain the machine and has made an agreement with the Senior Class party where they can rent it for ~ \$300/year. The Popcorn machine is available for all activities, concessions, etc....

The forms for special requests were discussed and Scott advised where all these can be found on the Booster website.

### Old Business

Still have two openings for our Booster Club - still looking for a Vice-President and a Vice-Treasurer.

Marci Smith provided an update on the President's Bowl Ticket Blitz- Selling of Tickets run from August 6 through the 29th when they MUST be turned in to count toward RHS ticket sales. Each student in any of the RHS activities is asked to sell a minimum of 10 tickets- if a student is in multiple activities they are asked to still only sell 10. All Coaches and Activity Directors have received an email with attached letter and forms. Activity forms were updated this year with the price, the date and time of the games and who a check can be written out to. Discussion around having an all school alert message go out the night before money and forms are to be exchanged for tickets.
