## Meeting called to order by Jim Denevan.

### Principal/Activities Director report:

Keeping busy with every light fixture being replaced and 2300 Chrome books coming in to be distributed during Rider Charge day Tuesday, August 6, 2013. Students can purchase insurance against damage to their new computers. 2100 students enrolled with over 600 incoming as Freshman, largest school in Sioux Falls. Introduced the new Activities Director/Principal Slade Larscheid- he will be activities first go to for anything. Want to concentrate on increasing school spirit, Booster club participation and fundraising.

**Contact Information: Slade Larscheid email: [slade.larscheid@k12.sd.us](mailto:slade.larscheid@k12.sd.us) Phone: (605) 362-2860**

## Treasurer's report and May minutes were not available for review.

### Old Business

President's Bowl –Ticket blitz will be handled the same this year only for two weeks, Jim will meet with Slade and all activity directors to discuss ticket distribution. Volunteer sign up was commented to do the same as last year. New Co-Chair for President's bowl is Craig Matson to serve with Chairperson Christine Hupke. President Bowl 5K run and 2 mile walk will be held Saturday August 31, 2013 at 8:30 am. with the Football game held on September 7, 2013. For further information check out their web site at [www.presidentsbowl.org](http://www.presidentsbowl.org)

Other fundraising ideas – Whopper night during coronation week won't work- looking at holding during one of the home games with rival schools for most participation. (Coronation night is September 16, 2013)

### New Business

New Booster Club Website - cost to run is \$70 a year and Marci will continue to keep it updated for us. Jim will verify in bylaws if this is an executive committee decision or if the Booster Club has to vote on this expense. If you need something added to Booster Club web site contact Marci Smith: [mlsmith@midco.net](mailto:mlsmith@midco.net)

Executive Committee will meet soon to review bylaws for any possible revisions or updates. Will discuss during September meeting- bylaws are posted on our Booster club web site.

Discussion on how to get people involved in Booster club- brain stormed on how to accomplish. Bring others with you to meetings, call or invite to volunteer. Achieve balance between sanctioned vs. unsanctioned sports, have activities help each other during their off season, show appreciation to coaches, teachers and activities that aren't recognized or celebrated. Discussion on maybe providing something to every activities at end of season celebration. Parent/Teacher conferences gap when student Council doesn't provide food/beverages- look at Booster Club filling in this need.

Membership Table will be set up during Rider Charge day Tuesday August 6, 2013 and before Activities night as well to try and boost membership. Contact Kelly Brewers if you want to volunteer on the membership committee.

Activity Reports- general consensus was to continue providing reports when in season or big activity coming up.
