Drama: *The RHS Theatre Department and the RHS Cancer Awareness Club are teaming up to bring to you the exhilarating play, The Tavern , written by George M. Cohan, with 50% of the box office sales to benefit the Pesicka family.* In a lonely tavern on a wild stormy night, a colorful vagabond, a mysterious woman, and the State Governor and his family who have been robbed by highwaymen a short distance away, gather to ride out the turbulent night. Along with the flashes of lightning, suspicions fill the rustic tavern. However, in spite of the innkeeper's and others' desire to pin the crime on the unknown stranger, the vagabond may only be responsible for the vastly amusing and complicated series of misunderstandings. As the unexpected guests exit the tavern once the storm passes, much of the mystery has lifted, and the audience is left to leave The Tavern, smiling.
