New Business

- **Direct Allocation Requirements**

We are now just sending the direct allocations to the activities. We are not waiting for the coaches/directors to fill out the form. We do however still want the form filled out indicating how the money was spent and including the receipts/invoices for the purchases. The form can be handed in when the money is spent or at the end of the year.

- **Parent/Teacher Conference Sign Up Genius- water and desserts needed**

This is almost full-thanks for those who donated. Booster Club is providing the meat and cheese trays.

- If any activities are selling Spirit Wear, if you will send link to Booster Club, we will send it out in case others might want to purchase items.
- As a reminder the Special Allocations process has been on hold. The Finance committee has decided to try and do a larger project that would benefit a larger portion of the kids. If you have any suggestions please let us know.

- Also as a reminder if you have a game or event when the Booster meeting is scheduled your activity can be excused if you notify us ahead of time.

Old Business

- A rep from each Booster sponsored activity needs to be in attendance for at least 10/12 meetings to receive full funds. Please make sure to sign in under your activity at meetings.
