

RHS Booster Club Meeting Minutes

March 17, 2014

Officers Attendance & Activity Representatives:

Preston Kooima	Principal	Lance Mriden	Vice President
Slade Larscheid	Activities Director	Scott Hess	Treasurer
Jim Denevan	President	Kari Garcia	Secretary

Meeting called to order by Jim Denevan

February minutes were approved by Craig Matson by Wayne Wagner

Principals report:

Many winter tournaments are wrapping up just finishing Girls Basketball and next week Boys Basketball goes to Rapid City. Lots going on with Teddies, Golf, Band, Choir- many heading to Des Moines, IA and Track just starting along with all the other spring sports. On the Academic front- the April Dakota Step Test this year will be performed on the Chrome book and is called Smarter Balance. RHS is a pilot for the online testing.

Treasurer Report

Direct allocations were to Track for \$1,500 and Bowling \$500 for their trip to Regional's in Nebraska. The other expenditures were for signage which we will get back in advertisement over the course of the school year along with the Teacher appreciation meal during conferences. The Budget is looking good with only around \$8,000 for expenditures not budgeted.

Old Business

Elkay Bottle Filling Station: The cost to tear out and put in a complete new fountain and filling station with labor is around \$2,500; but another alternative is to just add the filling station to the existing fountain with expected cost to be around \$500 for the unit and \$500 for labor- put the discussion to a vote. Wayne Wagner moved the motion and was seconded by Susan Bjordal that we continue to look into the cost of just the filling station; and look at only putting in one. Motion was carried and when estimate is available will be brought back to the Booster club for vote.

New Business

President Bowl: Will be held Saturday September 13th. Christine Hupke and Craig Matson are the new presidents.

The meetings are held the second Wednesday of the month at IPC from 5:30- 6:30 pm. Next meeting is Wednesday April 9, 2014. Please come join the meeting if interested or contact Christine or Craig. We **still need RHS representatives** for Stadium Activities Presentation and Ad Sales. New volunteers: Becky Jankowski/Special Events; Lori Warne/Program Sales. New Ad Sales meeting will be held next Monday night - about 30 minutes to separate volunteers on calls to be made.

Christine Hupke	595-3888	supermom02@knology.net

Presidents Bowl Basketball tourney proposal was approved to move forward for 2014. All advertisement will have the Presidents Bowl logo and schools listed so there won't be any misunderstanding on who is holding the event even though it is moved to the Pentagon. Sanford is donating two days worth of court time along with workers making the number of school volunteers about a fourth of what has been needed in the past.

Presidents Bowl 5K Run: This is moved this year to allow more students the ability to participate. It will be held at Falls Park on Friday June 13, 2014 with the path along the bike trail.

2014-15 Representative meetings: Activity Representatives began giving names for next year's activities- we will be following up with all coaches and directors for name so we have a full roster for next school year.

Questions/Discussion

What is the District Policy on participating in activities on Sunday? District Policy is that no sanctioned activity can be held on Wednesday or Sunday's. If a non-sanctioned sport is held on either of these days, they cannot wear the school uniforms. Appears this is a yearly occurrence for the Regional Bowling tournament held in Nebraska- teams cannot wear school uniforms nor any shirts that identify a Sioux Falls public school during the Sunday finals. The bowling members purchased individual T-shirt with name on the back.

What is the status of Huddle? The Booster Club has budgeted to purchase this for all activities again for the next school year. If any activity would like training please contact Jason Whiting.

RHS T-shirts- Discussion early in the year that different activities would like to provide free RHS T-shirts to Elementary and Middle School students to promote participation in High School. Will look at budget and discuss again at a later date.
